LET'S GO TO THE MARKET! (HARDBACK)

Prufrock Press, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. Young children are curious about the world around them. Let's Go to the Market!, the third book in the Smart Start series for prereaders, fosters engaging conversations for parents and their children through the use of interactive questioning. Images in this book convey children and parents in a familiar shared experience: going to and exploring the market. Each image's corresponding questions prompt children to think at critical, creative, and mathematical levels about their everyday surroundings and activities. The open-ended questions stimulate curiosity and invigorate conversations between parents and children. Let's Go to the Market! highlights the vast world of a child's imagination and encourages children to think deeply about the objects and situations they're faced with everyday.
