Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

Coffeetown Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Seattle attorney Chico Lench wonders why his Czech father refuses to contact family left behind the Iron Curtain. Searching through his father's attic after the Velvet Revolution, Chico discovers letters dated four decades earlier revealing the existence of a half-sister. He travels to the Czech Republic to find his forgotten sister and unearth the secrets his father has buried all these years. There is self-interest behind Chico's quest. Most urgently, he is nearing kidney failure and needs a donor organ. None of his relatives are a suitable match. Could his sister be a candidate? Chico also meets Milada, a beautiful doctor who helps him navigate the obstacles to finding his sister. While Chico idealizes his father's homeland, Milada feels trapped. Is she really attracted to him, or is he a means of escape to the United States? Chico confronts a moral dilemma as well. If he approaches his sister about his need for a kidney, does he become complicit with his father and the Big Shots of that generation who've already robbed her of so much?.
