Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I don't know where you are in your life today or what you've been through thus far but I want to let you know that you are not alone. So many women are going through the same struggles that you are facing. Sometimes being single can feel like a curse. It can make you feel as if you are not good enough, unwanted and worthy. Wife Me Already 40 Day Devotional was written to shed light on the true purpose for being single. Singleness is a place of transformation. It's a place of separation. It's a place of truth. You've run from yourself for much too long and God had to stop you from running and sit you down so that He could heal you from your past, fix your present and prepare you for your future. This season of singleness is ordained by God for your good. Though it may not feel good, it is. Take this time to work on YOU. Get to know you. Develop your weaknesses and build on your strengths. God is stripping you of everything that's been keeping you going around the same mountain over and over again. He's breaking the cycle of failure and teaching you the methods of success. This devotional will help you draw closer to God and rely totally on Him. It will help you understand the purpose of being single and propel you to take action toward becoming the woman of your own dreams and not waiting until you get married to do it. It will help you to patiently wait on God to bring you both together at the right time....
