It is the continuing story of Joshua and Sarah Granger rebuilding their lives after the Civil War tore them apart. In Texas Yankee: Honeymoon, Joshua and Sarah Granger work together to build their dreams in the beautiful Central Texas Hill country in 1868. It is a time of growth for Texas as well as Joshua and Sarah and their adopted son Luke. But with that growth comes growing pains. Joshua and Sarah deal with the daily struggle of newlyweds building a ranch as well as personal struggles that test their relationship and puts them both in danger of being killed. Like most of us Joshua and Sarah experience success and hardship in business and friendships. When an honorable decision goes bad and Joshua lands in jail, the family pulls together. Texas Yankee: Honeymoon is a wild ride for a young family who sticks together through good times and bad even if it means the possibility of getting carried off or killed by Comanche, hung by vigilantes, or going to prison.
