*These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## THE HAT BOARD BOOK

Penguin Putnam Inc, United States, 2003. Book. Condition: New. Language: English . Brand New Book. A Publishers Weekly #1 bestseller, Jan Brett's heartwarming story of Hedgie the hedgehog's misadventures in the snow has become a family favorite. When Lisa's woolen stocking flies off the clothesline, Hedgie can't resist poking his nose in. He tries to pull it out, but the stocking is stuck on his prickles. At first the other animals laugh at the sight of him, but when they realize they might like something to keep their heads dry and ears warm, too, even more silliness ensues. Like its companion *The Mitten*, *The Hat* is now available as a wonderful board book to share with young children. Brett's signature art introduces animal characters as endearing and expressive as those who congregated in her earlier book's expandable white mitten. --Publishers Weekly A clever and appealing picture book. . . . The pictures, story, and subject matter make this a natural for sharing aloud. --School Library Journal.
