## STRATEGIC NEGOTIATION IN MULTIAGENT ENVIRONMENTS (HARDBACK)

MIT Press Ltd, United States, 2001. Hardback. Condition: New. New.. Language: English . Brand New Book. A model for strategic negotiation for intelligent agents.As computers advance from isolated workstations to linked elements in complex communities of systems and people, cooperation and coordination via intelligent agents become increasingly important. Examples of such communities include the Internet, electronic commerce, health institutions, electricity networks, and digital libraries.Sarit Kraus is concerned here with the cooperation and coordination of intelligent agents that are self-interested and...

### Reviews

---

*Absolutely essential go through publication. It is filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Dr. Sierra Lowe Sr.**

*Complete guide! Its such a good go through. It is rally fascinating throug reading period of time. Its been written in an extremely basic way and is particularly only after i finished reading through this publication through which really changed me, change the way i really believe.*

-- **Mrs. Macy Stehr**
