Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Adell Lubowitz)

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Wilfred Owen (Main), Wilfred Owen, Jon Stallworthy, In this series, a contemporary poet selects and introduces a poet of the past. By their choice of poems and by the personal and critical reactions they express in their prefaces, the editors offer insights into their own work as well as providing an accessible and passionate introduction to some of the greatest poets in our literature. Dying at twenty-five, a week before the end of the First World War, Wilfred Owen (1893-1918) has come to represent a generation of young men sacrificed - as it seems to the next generation, one in unprecedented rebellion against its fathers - by guilty old men: generals, politicians, profiteers. Owen has now taken his place in literary history as perhaps the first, certainly the quintessential, war poet.
