Avatar Press. Paperback. Book Condition: new. BRAND NEW, Do Anything: v. 1, Warren Ellis, The robot head of Jack Kirby lives on Warren Ellis' desk! It knows everything and is connected to everything. You must obey the robot head of Jack Kirby. There are many ways to look at comics. In this book, we see the medium through the hazy android eyes of Jack Kirby (actually the stolen and repurposed head of the missing Philip K. Dick robot, which Mr. Ellis confesses to swiping off the back of a plane), taking a rattling ghost-train ride through the history of comics. David Bowie, the CIA, mad architects, Will Eisner, Frank Zappa, Tintin, the designer of Skylab, a train station in Paris, Arthur C. Clarke, the circus, the Black Panther Party, and William S. Burroughs: all of these things are connected by Jack Kirby, all part of the secret history of comics, and all illustrating the special nature of the medium as the place where you can do anything.
