Over the past decade the need for practical leadership skills has grown dramatically in both the private and public sectors. Outstanding leadership is becoming established as a key requirement for managers at all levels. Managers in organisations of all sizes are expected to be both effective leaders and performance-focused coaches. Seconds away from outstanding leadership is a concise and inspiring guide to leadership by popular business speaker Molly Harvey. Molly demonstrates in her characteristically forthright style how each of us can: * be an enchanting leader; * harness the power of silence; * be disciplined in improving our productivity; * use our inner sat nav; * use the power of simplicity; * create a culture of trust; * understand why motivation is an inside job. Molly's motto is, 'Don't talk about it, just be it' and she is known for her no-nonsense, thought provoking approach and for speaking from the heart and through personal experience.
