iUniverse. Paperback. Condition: New. 108 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. The elusive character who narrates this prophetic tale might well introduce himself with a line from a familiar song, Pleased to meet you. Hope you guess my name. And by the end of the book, you could very well find yourself having sympathy for the devil. For this is no ordinary piece of fiction. Prepare to have your firmly held beliefs regarding the origin and nature of good and evil turned upside-down. But be warned this book is not recommended for those who prefer to keep their rose-colored glasses on. It will rip them off your face, and you will see that the reality of life is more horrifying than we ever imagined. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
