This book also contains this extra book inside by Dr.Zakir Naik.(The Qur an Modern Science: Compatible or Incompatible?)Ever since the dawn of human life on this planet, Man has always sought to understand Nature, his own place in the scheme of Creation and the purpose of Life itself. In this quest for Truth, spanning many centuries and diverse civilizations, organized religion has shaped human life and determined to a large extent, the course of history. While some religions have been based on books, claimed by their adherents to be divinely inspired, others have relied solely on human experience. Al-Qur an, the main source of the Islamic faith, is a book believed by Muslims, to be of completely Divine origin. Muslims also believe that it contains Divine guidance for all humankind. Since the message of the Qur an is believed to be for all times, it should be relevant to every age. Does the Qur an pass this test? In this booklet, I intend to give an objective analysis of the...
