The Races of Man: Differentiation and Dispersal of Man (Classic Reprint) (Paperback)

By Robert Bennett Bean

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Races of Man: Differentiation and Dispersal of Man We see that this is quite a wide range of subjects, yet it does not include all that come into relation with man. History is the written word or symbol, but archeology or paleontology may afford a more nearly correct account of the past life and certainly of the past types Of man. A study of man s literature is but a study of his psychic life. Indeed, every sphere of human knowl edge touches upon anthropology. This book deals with the physical side Of man only, but it will be written in vain if it fails to make clear that the study of the differentiation of man and of his evolution in the formation of with their distribution over the world, is a subject of ever broadening human interest. NO matter what branch of learning we may select we will soon find that it has, directly or indirectly, some relation to man. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book...
