Brand New Book ***** Print on Demand *****.Musicians have multi-person jam session with a range of instruments; I had a solo jam session with a range of writing prompts. While in a homeschool writing course, I had to write a story a week for 36 weeks, and that was pretty cool. The result was a 36 story anthology. Take the survey at the end of the book to vote on which short story should be expanded into a book. Also look at the link to the writing course to see which short stories were the prompts to the stories I wrote. Let yourself cruise through emotions like surprise, shock, suspense, joy, love, and contentment. Are you ready?.
