Blood Spatter (Paperback)

By Geoff Symon

Evil Mastermind, LLC, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Want to add blood to your scenes without making a mess? Too many authors get squeamish or sloppy about including the red stuff in their stories. As a research guide, Blood Spatter presents an accurate and accessible gateway into the world of blood spatter and its analysis. Written as a resource for the professional author, this Forensics for Fiction title provides user-friendly approaches to realistic details by covering: Terms and techniques of spatter analysis Patterns associated with different weapons Physical properties and characteristics of blood Proven crime reconstruction procedures Case studies in which spatter solved the crime Examples of ways any popular genre can include blood Whether you re writing about a drip or a bloodbath, this illustrated guidebook offers a one-stop, easy-to-understand reference for writing a bloody good story. Forensics for Fiction: making your crime pay.

Reviews

A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
-- Miss Shannon Hilll V

A must buy book if you need to adding benefit. We have study and so i am sure that i am going to likely to study once again again in the foreseeable future. I realized this book from my i and dad encouraged this ebook to discover.
-- Duane Fadel
