

Nicholson on Factory Organization and Costs (Classic Reprint) (Paperback)

By J Lee Nicholson

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Nicholson on Factory Organization and Costs This work is intended primarily for the manufacturer who is interested in modern methods of Organization and Systems, for Accountants and Cost Specialists as a book of reference, and also as a practical book on cost accounting for the student. Furthermore, it is the author's purpose to outline and explain all the most known methods of Factory Organization that relate to Cost Finding in such a manner as to enable the manufacturer to compare the methods with those in use in his own plant, in order that he may more readily detect the defects in his organization and know how to remedy them. It is the hope of the author that the Public Accountant, Systematizer, and Cost Clerk will find this book to be of value as a reference in planning, dividing, or changing a factory system. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Reviews

Certainly, this is actually the best job by any article writer. It can be loaded with knowledge and wisdom I realized this pdf from my i and dad advised this book to discover.

-- **Ms. Verlie Goyette**

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
