

## Mental Health of Ethnic Minorities

By Linda Myers

Praeger. Hardcover. Condition: New. 360 pages. Dimensions: 8.9in. x 6.1in. x 1.2in. Based on a conference held at Ohio State University, this volume focuses on the unique mental health needs of ethnic minorities. Four sections cover psychopathology; advances in assessment; advances in treatment; the current state of knowledge including university, professional, and government roles. Each section presents an introduction to its theme as well as three papers. The papers individually relate the section theme to three ethnic groups: Black, Hispanic, and Asian Americans. Distinguished by its developmental as well as clinical orientation, this graduate level textbook is also an excellent reference for professionals in the fields of mental health, social work, education, and medicine. The field of Minority Mental Health promises to produce research which will promote the welfare of ethnic minorities and contribute to the understanding of nonminorities. Toward this goal, the editors and contributors of Mental Health of Ethnic Minorities and Lt; review the current state of knowledge as it relates to mental health problems, assessment, and treatment. They suggest new directions for research. They also provide a vehicle to disseminate research findings to the service provider, professional training programs, and the graduate student. This item ships from multiple...
