She endured the long wait. And after the last man had fallen, only one walked the road back to their South Carolina home. With the economy of the South in ruin and hope shattered in the void of silenced hearts, Will and Carol Ann headed westward in search of a new life, to find their lost dreams and escape the demons left behind. Beneath the crack of thunder under a gray Texas sky, fate would alter Carol Ann s life in a way she never imagined. That moment in destiny would stir the seeds of love and deception, changing the lives of those living on the Double-M ranch and beyond. This is the story of a woman of strength, of the people in her life, of the bonds of human relationships, and all that is threatened by the Black River Crossing. Take my hand and follow this young woman and those who come into and out of her life. Open your eyes to those who call out for the understanding they seek to ease their souls. Come with me; bring Carol Ann home again.
