REAL KSAS -- KNOWLEDGE, SKILLS ABILITIES -- FOR GOVERNMENT JOBS

Createspace, United States, 2012. Paperback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is designed to help people who seek their first federal government job as well as federal employees who want to advance in the system. The process of getting a government job often involves preparing complex applications, and those applications frequently require written statements or elements which are called Knowledge, Skills, and Abilities or KSAs. In the competitive hiring process, the individual who gets hired for the federal job usually has the best KSAs. This book shows examples of effective KSAs that have worked for real people. The book doesn't simply tell how to write KSAs; it actually shows how to write KSAs in sample after sample related to multiple fields. This book will do a great deal to make the federal hiring process understandable as it illuminates one of the most complex features of getting a government job: writing the KSAs or elements, as they are often called. Praise for other titles in the Government Jobs Series and Real-Resumes Series: Distinguished by highly readable samples. - Library Journal A guide that significantly translates veterans experience into viable repertoires of achievement. -Booklist This thoughtful resource should come as a welcome and valuable tool. -Small Press Those picking up this book will be looking for specific references. Most likely they will find what they're looking for. Written in clear, practical terms. -Independent Publisher A complex process suddenly made simpler. Recommended for anyone seeking a federal job. -Veteran's Voice Testimonials from people who have successfully used this book: Getting into the federal government system is a complex process, and that process is made easier by the guidance in this book. J. Lampros, book reviewer How to...
