Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

ROOKWOOD POTTERY: OVER TEN YEARS OF AUCTION RESULTS 1990-2002 (HARDBACK)

COLLECTOR BOOKS, United States, 2003. Hardback. Condition: New. Language: English . Brand New Book. The Treadway Gallery, located in Cincinnati, Ohio, has been established for more than two decades and is known for its expertise in twentieth century American and European decorative art. The gallery serves as headquarters for an internationally-attended auction series focused on twentieth century art, including a specialized annual Rookwood auction. Collector Books is pleased to bring you this gallery's compilation of over 10 years of Rookwood auction results, from 1990 - 2002. This colorful book, filled with large detailed photographs of virtually hundreds of pieces of Rookwood pottery, gives collectors an idea of what their piece is worth. Not only are the dates and final bids for each item listed, but an estimated value range is given for the piece. Other important facts stated are approximate height, glaze, number, and condition of the piece. You will be astounded to learn what these pieces sold for at auction and how truly valuable these works of art have become. The front part of the book gives the gallery's conditions of sale and guidelines governing their results. Collectors will love this 10-year study of Rookwood Pottery by leading auctioneers in the field of ceramic art.
