Reaktion Books. Paperback. Book Condition: new. BRAND NEW, New York Calling: From Blackout to Bloomberg, Marshall Berman, Brian Berger, Brian Berger, Joseph Anastasio, Meakin Armstrong, New York City in the 1970s was the setting for Taxi Driver, Annie Hall, and Saturday Night Fever, the nightmare playground for Son of Sam and The Warriors, the proving grounds for graffiti, punk, hip-hop, and all manner of other public spectacle. Musicians, artists and writers could subsist even in Manhattan, while immigrants from the world over were reinventing the city in their own image. Others, fed up with crime, filth and frustration, simply split. Fast-forward three decades and today New York can appear a glamorous metropolis, with real estate prices soaring higher than its skyscrapers. But is this fresh-scrubbed, affluent city really an improvement on its grittier and more affordable predecessor? Taking us back to the streets where eccentricity and anomie were pervasive, "New York Calling" unlocks life in the unpolished Apple, where, it seemed, anything could happen. Acclaimed historian Marshall Berman and journalist Brian Berger gather here a stellar group of writers and photographers who combine their energies to weave a rich tale of struggle, excitement and wonder. John Strausbaugh explains how Uptown has taken over Downtown, as Tom Robbins examines the mayors and would-be mayors who have presided over the transformation. Margaret Morton chronicles the homeless, while Robert Atkins offers a personal view of the city's gay culture and the devastating impact of aids. Anthony Haden-Guest and John Yau offer insiders' views of the New York art world, while Brandon Stosuy...
