CLASSIC AMERICAN SHORT STORIES

Naxos Audiobooks on Brilliance Audio, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Five great American short story writers, dating from the turn of the nineteenth/twentieth centuries are represented here. Different in atmosphere and writing style, they nevertheless caught the mood and concerns of the day in a way that was distinctly American. Bierce s An Occurence at Owl Creek Bridge leaves echoes in the imagination; the stories by Crane and London recall the themes of the Civil War and the Klondike for which they are well known. Twain s humour is to the fore in The Notorious Jumping Frog of Calaveras County and O. Henry s sharp observation makes his neat tales a joy to listen to. An attractive and accessible collection.
