CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 282 pages. Dimensions: 9.7in. x 7.4in. x 0.6in. In July 2008, a two-stage crop circle larger than three soccer fields materialized in England on a farm near Avebury, Wiltshire. Unlike more common symmetrical snowflake formations, this one evidenced a clear and unmistakable message: That we will see the appearance of a celestial harbinger. One that portends a global tribulation in which life as we know it will come to an end. Fully coherent and free of exceptions, the Avebury 2008 formation is an urgent warning from distant friends to those who get it and who want to get through it. That is why the first part of this book, The Bad News, presents a series of more than 50 illustrations to decode this message with easy-to-follow, building-block explanations. Intended for the common man, the goal is to empower the reader and this need is great. Table of Contents PART 1 - THE BAD NEWS The Big Picture The Last Pole Shift The Trigger Event The Dragons Tail The Great Winnowing PART 2 - CROSSING THE CUSP Welcome to Awareness How the Meek Prevail The Enlightenment Transformation PART 3 - THE GOOD NEWS We Can Do This We Have Friends We Can Reprogram the Future Alphabetical Index If you get it and want to get through it, this is the book you've been waiting for. This item ships from La Vergne, TN. Paperback.
