THE AMERICAN COLONIES IN THE SEVENTEENTH CENTURY, VOL. 1 (CLASSIC REPRINT)

[DOWNLOAD](#)

Forgotten Books. Paperback. Condition: New. 616 pages. Dimensions: 9.0in. x 6.0in. x 1.4in. INTRODUCTION It is the purpose of the author of the work, of which these volumes form a part, to trace the growth of the British-American colonies as institutions of government and as parts of a great colonial System. The beginnings of that System, in one of its phases, will be passed in review. In order properly to accomplish this task a discriminating use must be made of much known material. The political and social sciences have now reached such development that it is impossible to present in a single view all known aspects of any period of history. A choice must be made between those which are distinctly political and those that are social, and upon the one or the other the emphasis must be laid. This should be done not in a narrow or exclusive spirit, but with a due regard to the fact that political events and forms of government are very largely the product of social causes, while institutions in their turn are the avenues through which social life is expressed. Table of Contents INTRODUCTION; PARTS; The purpose and character of the work xxv; An institutional history of the British-American colonies in the seventeenth Century xsv; Suggestions as to Classification of colonial government xxvii; Main subdivisions of the work xxvii; PART FIRST; THE PROPRIETARY PROVINCE IN ITS EARLIEST FORM; CHAPTER I; Charters of Discovery Explorations of Gilbert and Balboa; Share of private enterprise in originating the chartered colonies 3; The charters of discovery 4; Charters of the Cabots and other early explorers 4 Revival of interest in colonization in age of Elizabeth due to conflict with Spain 5; Charter and voyages of Gilbert Northwest passage, 1578, 1582 6; Earliest sketch of large proprietary grants 9; The Southampton adventurer...
