Life Is a Song-Sing It: Life Changing Exercise for Spiritual Enlightenment by Shifting Consciousness with the Power of Virtue! (Paperback)

By Colleen M Wilkin

Balboa Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Thought wires the mind. What do you think about first thing in the morning? What do you think about last thing at night? What kind of thought predominates in your mind? Rewire peptides and receptors. ----- Rhymes, poems, and jingles are designed to imbue our mind and soul with virtuous thinking. Sometimes we have distorted views. This is considered. Sometimes the content is way above the level of present enlightenment. The understanding and motives are downloaded. At sometime, this will preempt an interest. This will spark desire and in turn lead to a new enlightenment or perspective. No thing being orientated to any one religion. The one common denominator in every religion is virtue! Knowledge condensed in jingle format haunts the mind into corrective thinking. Each time one reads, one will receive a miracle (both in this life and the next). One cuts the old connections and rewires the brain to a new way of thinking. ----- This is powerful! The three key words are virtue, motivation, and emotion.
