Second Edition (February 2012). It is a well established fact that there is a relationship between how well soldiers are cared for and how well they fight. That fact may explain why the American soldier is the best fighter in the world. Thanks to men and women like Dr. Bartecchi our troops in Vietnam were cared for as in no other war. Your chances of survival were greater if you were wounded on a battlefield in Vietnam than if you were in a crash on an American highway. But that care went beyond the GI. Vietnam may be the only war we ever fought, or perhaps that was ever fought, in which the American soldier added to their heroism a humanitarianism unmatched in the annals of warfare. And the humanitarianism took place during the heat of the battle. He fixed as he fought, he cured and educated and built in the middle of the battle. What other Army has ever done that? Humanitarianism was our victory in Vietnam. The kinds and quality of our humanitarian work in Vietnam is documented in this book. Join Doctor Bartecchi in his remarkable journey through Vietnam from the time of the French, the Japanese, and the French again, through the war up to the present. You will meet some of the truly great heroes and heroines of any war. Leading the humanitarian charge were medical helicopter crews known as Dust Off. Dust Off was born at Soc Trang, where Dr. Bartecchi began his career in military medicine. Dr. Bartecchi writes of the legendary Charles Mad Man Kelly who gave his life to save the Dust Off resource;...
