Llewellyn Publications,U.S., United States, 2010. Paperback. Book Condition: New. 201 x 130 mm. Language: English . Brand New Book. If you could change who you are, would you? Should you? Fifteen-year-old Jamie Bates has a simple strategy for surviving high school: fit in, keep a low profile, and above all, protect his biggest secret-he s gay. But when a classmate discovers the truth, a terrified Jamie does all he can to change who he is. At first, it s easy. Everyone notices when he starts hanging out with Celia Gamez, the richest and most beautiful girl in school. And when he steals an experimental new drug that s supposed to cure his attraction to guys, Jamie thinks he s finally going to have a normal life. But as the drug s side effects worsen and his relationship with Celia heats up, Jamie begins to realize that lying and using could shatter the fragile world of deception that he s created-and hurt the people closest to him. Told with equal doses of humor and suspense, Love Drugged explores the consequences of a life constructed almost entirely of lies . . . especially the lies we tell ourselves. An American Library Association Stonewall Honor Book in Children s Young Adult Literature.
