Amazon Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. The Sweet Potato Queens(R) are back and bawdier than ever in Southern belle extraordinaire Jill Conner Browne s ninth edition of the hysterical series. Having experienced pretty much ALL of the crappy parts of life, Browne feels it is her duty to render whatever assistance she can to her fellow sufferers--and she does so in her own inimitable fashion. Her father taught her there are very few situations in life that we really and truly cannot change, and it is up to us to figure out how to either make fun OUT of them--or make fun OF them. And fortunately for the rest of us, Browne is well equipped for both. Including the exploits of the Queen contingent and her family, she delivers applicable tidbits like: - Thinking or talking about watermelon can save any negative situation. - If you get drunk in Scotland, you can t have your cow with you. - When sanity and reason fail, you can always cheerfully resort to ridicule. - Denial means that every situation is perfectly perfect. More fun than a Cracker Barrel full of monkeys, Fat Is the New 30 will change your life--or at least give you ideas for making fun of yourself.
