In the first place, we have the drama into which songs were introduced that in no way helped on the action of the piece, but were mere embellishments, and which could be omitted without detriment to the movement and development of the plot. Thus in Shakespeare s Love s Labour s Lost, we have six songs introduced If she be made of white or red, If Love make me forsworn, So sweet a kiss the golden sun gives not, Did not the heavenly rhetoric of thine eye, On a day, and When daisies pied.
