Penguin Putnam Inc. Paperback. Book Condition: new. BRAND NEW, Serial Murder 101, Bridget Dicosmo, 30 years ago, Cape Girardeau, Missouri, became the hunting ground for a predator. Women were being brutally raped and murdered in a series of savage - and seemingly unconnected - crimes. Not until 2007 would the truth come to light, when DNA evidence pointed the finger at Timothy Krajcir, a convicted sex offender who'd never even appeared on a suspect list. He was a man who had pursued a degree in criminal justice and psychology - alongside the very investigators who would later use those same criminal sciences to finally stop him.
