Public AdministrationThe Grassroot Concerns

By Amita Singh

Mittal Publications, New Delhi, 1998. N.A. Book Condition: New. X+183pp The Present book has grown out of my original work on ?The Ecological Challenge to Public Policy in India.? The Central theme of the book is based on the fears associated with the unqualified and unfounded optimism of our policy makers in the future development of rural India throughout the institutional structures that have guided our development policies since independence. It is becoming largely evident all over the globe that countries that have been taking their grassroot resources policies with the casualness of adhoc structures have landed up into high rates of inflation, mounting indebtedness and an obstinate poverty. The era of liberal exchanges has come to stay but it should not be allowed to asphyxiate the creative adaptability of local solutions. Policy deals with future and therefore certain assumptions about the future development of resource policies has been inescapable. However, the purpose is to achieve some insight into the policy perspectives for the villages. The complexity and inter relatedness of resource questions with the society demands that the policy maker can under no circumstances afford to ignore the integrated and comprehensive treatment of village problems. Most segregations that have...
