Prentice Hall (a Pearson Education Company), United Kingdom, 1996. Paperback. Book Condition: New. Reprint. 201 x 132 mm. Language: English . Brand New Book. Set in Venice at the close of World War II, Across the River and into the Trees is the bittersweet story of a middle-aged American colonel, scarred by war and in failing health, who finds love with a young Italian countess at the very moment when his life is becoming a physical hardship to him. It is a love so overpowering and spontaneous that it revitalizes the man's spirit and encourages him to dream of a future, even though he knows that there can be no hope for long. Spanning a matter of hours, Across the River and into the Trees is tender and moving, yet tragic in the inexorable shadow of what must come.
