Building a business and being your own boss is all good. I am clapping for all #girlbosses alike going after it, preparing for their futures and building multiple streams of income. I mean, c mon ladies.we have to prepare, right? The average millionaire has seven streams of income. But what I don't like seeing: women starting off on the wrong foot. In my many years of business experience, I've worked with many women that don't plan out the crucial and necessary steps to building a business. And not just ANY business.but a BIBLICAL BUSINESS. So I did something about it. Girl.who do you think gave you that original dream? Who do you think imparted the vision deep within your heart? What does Scripture instruct us to do when building a business? In building a Beautiful Biblical Business, you will begin to learn the essential principles and understand the chief resources necessary to build a profitable, sustainable, income-producing business in the Information Age. We'll cover everything from business licensing, to building a financial plan, the ins and outs of social media, building your marketing plan, preparing the pre-launch and launch phases of your business, and lay the ground work for your mindset. And you'll learn how to do it HIS WAY. So get ready, get your high heels on and prepare to blow the lid off the enemy's plans. If you don't put a decree over your life, the enemy will customize one for you....
