If Naturopaths Are Quacks. Then I Guess I'm a Duck: Confessions of a Naturopath

By Phd Ctn Shauna K Young

Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What is a Naturopath, and what does one actually do? How does a Traditional Naturopath differ in philosophy and scope of practice from other types of so called alternative practitioners? What can I expect to gain by seeking out and consulting with a practitioner like Shauna? Are my health freedoms and choices in the United States and beyond really under attack? These are just a few of the questions and answers that are addressed by Shauna K. Young, a Certified Traditional Naturopath (CTN) with a PhD in Natural Sciences, in this unconventional and revealing look at a medical art and health option that is being exponentially embraced by the public, and is therefore under increasing scrutiny and literal attack from a number of forces within the government and other medical communities. With the way that the healthcare (or rather sick-care) industry functions in this country and elsewhere today, books and other sources of information addressing these issues are vitally important. Even though these works are certainly not fun and sometimes even a trial to read, they are...
