

Drill: A Chapter of Pedagogy (Classic Reprint) (Paperback)

By Walter Parker Beckwith

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Drill: A Chapter of Pedagogy The work of instruction, technically considered, is complete when the right relations have for the moment been established between the knowing mind and that which is to be known. The pupil then has a momentary grasp of what he is being taught. But it is very evident that this grasp may, and in most cases probably does, fall far short of what is necessary, if he is either to possess the knowledge in any proper sense of the word, or to have such facility in its employment as to make it really valuable, or to gain any genuine and permanent power from the exercise of his mental faculties. Reviews

It is one of the best publications. It is definitely simplistic but excitement in the 50 % in the ebook. I am very happy to let you know that this is basically the greatest publication I have got to go through within my own existence and could be the greatest pdf for ever.
