Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Seeded, The Pregnant Duology, contains Pregnant On Purpose (Again!) and Knocked Up (Again!), both stories told from the female POV plus the bonus book FMLYOM, a tale of straight bi-sexual lust and seduction! In Pregnant On Purpose (Again!), despite Alison s privileged WASPy upbringing she decides that she just has to see what it s like to sleep with her tennis partner Jason au naturel, regardless of the consequences. But her BFF Bonnie beats her to it and seduces Jason after only one date. Jason has always fantasized about scoring with Alison and considers his bedding Bonnie as an extra bonus, foolishly believing that it his masterly skill with women that allows him to seduce Bonnie. Little does he know that he has been manipulated by these two crafty women all along, and they want only one thing from him . . . his seed! In Knocked Up (Again!), when Bonnie gets pregnant on purpose by Jason, Alison becomes even more determined to trick Jason into seeding her, just like he did to her best friend. Jason is totally unaware that he has a child by Bonnie, simply considering his bedding her part of his masterly skill with women. Foolishly he has no idea how he is being manipulated by Alison to get her knocked up too!.
