Shaw Books. Paperback. Condition: New. 256 pages. Frustrated by the often unrealistic standards of beauty presented by todays media, many women have become trapped in a never-ending pattern of chronic dieting. Daily they endure destructive self-talk such as I cant eat that or Ill get fat or If I could just lose a few more pounds everything would be better. Chronic dieters may be any shape or size but they have one thing in common: They are often left to suffer alone with an undiagnosed sub-clinical eating disorder. Such sub-clinical disorders include eating habits that are unusual, even unhealthy, but do not fit the technical classifications of anorexia or bulimia. Addressing the many dimension of chronic dieting, Life Inside the Thin Cage offers a wake-up call and practical steps to those who need healing. Readers will find personal stories, insights into their secret patterns and habits, reassurance that they are not alone, checklists, self-tests, and, best of all, a new road to emotional, physical, mental and spiritual freedom. From the Trade Paperback edition. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
