Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Thieme's first collection of nineteen poems is drawn from the lost magic of a waning romance. The poems are a search for meaning for a love / that once, too briefly, thought the stars / and their fatal arcs made sense, but the answers are elusive. The tone of the poems is both intimate and haunted; seeking redemption through love, but tempered with a lament for its fragile impermanence and inevitability. Thieme's *the ghost dancers* offers nineteen fragments of a confession: an elegy for the vanishing of a love's sense of grace as it turns to the desolation of grief and the permanence of absence.
