THE COUNTRY GIRLS KITCHEN BIBLE

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 92 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. I grew up with a Scottish grandmother that practically lived in the kitchen. She had eight children, and several grandchildren. She loved to cook, and bake, and play Yahtzee at the kitchen table while we all talked about our lives. After years of being asked for recipes, I have finally decided to just write a book of some of our old family favorites. I have some detailed recipes, and some quick and simple recipes to save you time and money! I cover everything from Holiday meals, to leftovers, to amazing desserts and food gifts. Surprise your friends with cookies on a stick that look so adorable, but are inexpensive and so easy to make! After all of that cooking, spend some time with the kids in the kitchen, and try out my edible play dough, some slime, or puffy paint! I hope you enjoy my cookbook, and my family recipes. May it bring you extra money in your pockets, and many memorable moments around the table! This item ships from La Vergne, TN. Paperback.
