The land of Terre dAnge is a place of unsurpassed beauty and grace. The inhabiting race rose from the seed of angels and men, and they live by one simple rule: Love as thou wilt. Phdre n Delaunay was sold into indentured servitude as a child. Her bond was purchased by a nobleman, the first to recognize that she is one pricked by Kushiels Dart, chosen to forever experience pain and pleasure as one. He trained Phdre in the courtly arts and the talents of the bedchamberand, above all, the ability to observe, remember, and analyze. When she stumbled upon a plot that threatened the very foundations of her homeland, she gave up almost everything she held dear to save it. She survived, and lived to have others tell her story, and if they embellished the tale with fabric of mythical splendor, they werent far off the mark. The hands of the gods weigh heavily upon Phdres brow, and they are not finished with her. While the young queen who sits upon the throne is well loved by the people, there are those who believe another should wear the crown. . . and those who escaped the wrath of the mighty are not yet done with their schemes for power and revenge.
