PHYSICS THROUGH FAITH: REMEMBER HIGH SCHOOL PHYSICS FAST THROUGH CHRISTIAN TEACHINGS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is the black and white print version. Physics Through Faith was created using advanced memory techniques to generate a variety of memory aids based on non-denominational Christian teachings. These have been designed specifically to help you succeed and prosper in high school physics. This book is designed to teach you not just how to recall grade 9 and 10 high school physics but also to remember and use it both quickly and effectively. It is at the GCSE and IGCSE level. This is the prerequisite level for AP, A level and IB. This is an essential resource for examinations and homework practice as well as for personal development in the subject. Here is an example of how it works: Samson taken away (speed = time x acceleration) Forsaken and manacled (force = acceleration x mass) With God s might (weight = gravity x mass) Dagon s temple shook (distance = time x speed) (and fell) The first letter of each word links into an equation with easy techniques to change the focus of the equation. Each memory aid comes with a short Christian-based story to place it in context so with this one memorable phrase you will never forget 4 essential equations and the story of Samson! With over 440 answered questions and examples of which over 230 are fully worked through this book can be used to supplement traditional teaching and textbooks. It is hoped that it will inspire a joy of learning, especially when students realize how much they already know through their study of the Bible and Christian teachings. The memory tricks are catchy and are usually accompanied by a short story and a picture all of which...
