OXFORD INTERNATIONAL PRIMARY COMPUTING: STUDENT BOOK 4

Paperback. Book Condition: New. Not Signed; Oxford International Primary Computing is a complete six year primary computing course that takes a real-life, project based approach to teaching young learners the vital computing skills they will need for the digital world. Each unit builds a series of skills towards the creation of a final project, with topics ranging from designing your own robot to programming simple games. Within each stage, six key concepts are covered to give learners not only the...
