

Leadingship: Exploring the Essence of Leadership Dynamics (Paperback)

By Arnold Timmerman

John Hunt Publishing, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. This book bridges the gap between spiritual self-inquiry and practical personal and professional leadership dynamics. Rather than giving formularized answers and concepts, it raises questions which allow the reader to open up to a new leadership paradigm that reaches beyond our old beliefs and structures. It brings leadership back to its bare essence: non-personal inspiration through authenticity and passion. Leadingship is a leadership reflection of Life: ever changing, non-personal, all-inclusive and hugely inspirational. This book is its introduction and a inviting springboard for personal, professional, academic and spiritual exploration.
