Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you are active or workout like I do, you know how important it is to get high quality natural protein in your diet, not only to maintain your muscle but to build more muscle. Supplements are fine but I tend to believe that our bodies know how to deal with natural proteins better than man made, Don't get me wrong, I do like my whey protein shakes with some amino acid powder added in the mix, along with some fruits, which is why I added some recipes in this book that use powdered proteins and amino acids and a few others. Get that summer body now! Enjoy!.
