BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. In Lisa Gardner's first-ever short story following thirteen bestselling novels, *The 7th Month* takes listeners between the books and into a day in the life of Boston Detective D.D. Warren. In her seventh month of pregnancy, D.D. should be taking it easy. Instead, she accepts a small consulting role on the set of a serial killer film shooting in Boston. D.D. figures she'll be useful to someone for at least one night, serving as a police expert and making a little extra money in the bargain. It seems like a simple task until the previous film consultant, a former Boston cop, is found beaten to death. Suddenly D.D.'s date with Hollywood gets serious. Extremely pregnant, on the trail of a killer, and surrounded by a hundred and four murder suspects in the middle of a graveyard, D.D. must quickly unravel a tangled web of lies. As another cast member is attacked, D.D. realizes that like it or not, her priorities have changed and her last desperate hope is that she can catch a killer before she and her unborn baby face mortal danger. Packed with the suspenseful storytelling that has turned Gardner's novels into New York Times bestsellers, *The 7th Month* reveals new insights into a beloved series heroine.
