Brand New Book ***** Print on Demand *****.A Stepbrother Romance People say a lot of different things about money, some of them true and some less true than others. But one thing I ve learned the hard way to be completely and unquestionably true, is that money can never be a substitute for love. I ve been madly in love with my stepsister Hillary since the two of us were teenagers, everything about her driving me wild, but I ve never been able to tell her about it, for obvious reasons. If I ever said anything, I know it would destroy what we have with each other, and I know it would tear our family apart. So for years I ve been running from my feelings, running, running, running, running, turning to drugs, other women, and amassing my immense wealth as a means of ridding our forbidden love from my mind. But there comes a time when you just can t run anymore, and sometimes you re forced to confront things face to face. But is facing the truth worth the possibility of destroying a relationship with the woman you love? This is a stand-alone Contemporary New Adult Romance novel. No Cliffhanger. Content suitable for mature readers, contains sexual content and harsh language.
