By Robert S Feldman

Pearson, 2017. Other merchandise. Condition: New. 4th ed.. Language: English . Brand New Book. A modular, manageable, meaningful survey of the life span Revel(TM) Discovering the Life Span provides a broad overview of the entire range of the human life, from the moment of conception through death. Utilizing a flexible, modular organization, author Robert Feldman covers the life span chronologically and focuses on physical, cognitive, and social and personality development within each stage of life. Feldman s engaging and accessible writing style makes the material meaningful to students, and prepares them to apply content to their personal and future professional lives. In order to provide an up-to-date snapshot of the discipline, the Fourth Edition includes hundreds of new citations as well as coverage of a number of engaging contemporary topics. Revel is Pearson s newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience -- for less than the cost of a traditional textbook. NOTE: Revel...
