## DEPRESSION EXPOSED (PAPERBACK)

Xulon Press, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. What makes this book different from all the other books on depression? This book offers hope outside the traditional remedies that only manage depression. Dr. Moss promises a 100 percent cure rate for anyone who aggressively applies the principles revealed in this book. This is compared to a 70 percent recurrence of depression for those taking anti-depressants. In this book, you are introduced to another reality; a spiritual reality called the Kingdom of God. As a citizen of the Kingdom of God, you can operate by the principles of heaven that totally annihilate all oppression including depression. The information presented can be used to eradicate not only sickness from your life, but poverty, lack, low-self esteem and many others. A prescription consisting of foolproof and drug-free principles is provided at the end of the book that guarantees unparalleled success. Dr. Belinda G. Moss is the Co-Founder, Co-Pastor and Executive Director of Soteria Christian Center International, and Co-Founder of the Soteria Community Resource Center, a non-profit organization consisting of Literacy, Substance Abuse and Fatherhood Programs, and a ministry to seniors. She is an ordained and licensed minister, and has pastored churches for over 27 years. She holds two Masters Degrees and an earned Doctor of Philosophy Degree in Counseling Supervision. Dr. Moss is an internationally known speaker recognized for her cut-to-the-chase delivery and passion to see God's children (whether they know Him or not) realize and enjoy their covenant rights as citizens of the Kingdom of God. She is the honored wife of Pastor Perry Moss, Jr., and has one daughter Dawn Nicole, married to Minister Sebastian Corbin. She has one grandchild, Breanna Octavia.
