Barnes Noble Inc, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. This convenient new compendium contains the five most philosophically significant of Nietzsche's post - Thus Spoke Zarathustra writings. Nietzsche wrote of these works that he intended them as fish hooks for catching readers who shared his sense that a cataclysmic shift in human psychology had suddenly occurred with the advent of nihilism; the uncanny and pervasive feeling that life is devoid of all meaning, purpose, and value. Taken together these books offer the reader a definitive account of Nietzsche's mature philosophy as he intended it to be presented and a sweeping attack upon everything the modern Western world holds to be good about itself.
