

Light a Big Fire: Complete Guide to Building eBooks for the Kindle (Paperback)

Filesize: 3.48 MB

Reviews

Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.

(Antonetta Tremblay)

LIGHT A BIG FIRE: COMPLETE GUIDE TO BUILDING EBOOKS FOR THE KINDLE (PAPERBACK)

[DOWNLOAD](#)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Complete guide to building ebooks for the kindle Writing and publishing your own book is exciting. Throughout history people have lit big fires to celebrate great achievements. Light a Big Fire is about helping people achieve something very spectacular - writing and publishing their own book. I also like the imagery Amazon have used in naming their eReaders, Kindle and Kindle Fire. Light a Big Fire is both a reference and a how to manual. I have tried to avoid padding the book and concentrate on information which can be used by you to build your books. The topics discussed in Light a Big Fire include the following: Formatting a eBook in Microsoft Word Converting to HTML Using Amazon to convert your eBook for the Kindle An advanced guide to Kindle Format 8 Tutorials for Kindle Format 8 An advanced guide to the EPUB format Tutorials for EPUB Using Calibre for creating eBooks Using Sigil to create eBooks Publishing your book on Amazon, Barnes and Noble and other stores.
