Reviews

This composed book is wonderful. It is amongst the most awesome book i actually have read through. You will like the way the author create this publication.

(Miss Fanny Osinski V)

DEBT, DEFICITS, AND THE DEMISE OF THE AMERICAN ECONOMY

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. What investors can do to protect their investments in the next phase of the ongoing global economic collapse. The United States is heading toward an unavoidable financial catastrophe that will paralyze the markets and the overall economy in ways never before seen. Some call this impending economic catastrophe a double-dip recession, others a financial Armageddon. Regardless of what it s called, it is too late to stop it. Debts, Deficits, and the Demise of the American Economy is a look at how we got here, how the crisis is unfolding, and how it will end with a stock market crash in 2012, if not sooner. This book: Takes you through the unraveling of the collapse, starting with a wave of sovereign debt defaults in Europe Predicts a stock market decline of two to three thousand points, a run on banks resulting in a major bank crisis, and rampant inflation Provides investment strategies, including alternative investments such as timber, farm land, and oil Offers a detailed proposal to get the United States out of the crisis Debts, Deficits, and the Demise of the American Economy is a must-listen, play-by-play account of the worldwide depression that is likely to unfold in the coming years. The accompanying reference guide is included as a PDF on this disc.
